Preparation for Little League Election Meeting

Bridget shared information from Pattijo about the election meeting – Pattijo wants to schedule the election for all towns on September 28 from 7-7:30. Discussion about if a 30 minute window is enough time followed.

Discussion about how to get all player emails – Bridgette suggested emailing coaches and asking for players parents email addresses. An email was sent to coaches asking for their player contact lists.

The Town received letters of interest from the following people:

Dawn Fournier

Annie Wagner

The Recreation Board compiled the following list of objectives for a well rounded Franklin Recreation Board:

- Commitment – ability to put in the necessary time needed, as well as commitment to the goals of the Recreation Department
- Diversity – in age, gender, and background
- Experience - in various backgrounds

Being able to commit to the time requirements is highest on Bridget's list.

Drafted and sent email to applicants informing them of the time requirements of this new board as we realized that they are currently more demanding than was noted in the call for Letters of Interest. .

Bridget made a motion to submit all letters of interest to the Selectboard and hold off on making recommendations until responses are received from the interested individuals regarding the email they were sent about the time requirements. Bridgette seconded the motion. The motion passed.

The meeting adjourned at 9:09.
