Discussion of all old business

- New Business

1. Revised chapters 2, 4, 5, 10, and 11 of the Franklin Town Plan. These chapters will be discussed at the PC meeting on September 20<sup>th</sup>. I've included Chapter 4 to ensure that the PC continues its conversation about scenic resources in Franklin.

2. I've attached an application for the FY17 Municipal Planning Grants. I'd like to discuss the application at the next PC meeting. While I understand that the PC would like to apply for a grant to amend the existing Development Regulations, I'd like to discuss that project in more detail to see if there are any particular parts of the Development Regulations that the PC would like to focus on during the project and to assess how the project may fit within the State's FY17 funding priorities. This year the state is prioritizing bylaw projects that focus on increasing housing options in walkable places and/or promote compact, walkable development.

3. MPG Resolution to be signed by Chair for grant application

4. Act 250 delegation for paperless permits-to be signed by Chair
