

**TOWN OF FRANKLIN AND WATER DISTRICT
JOINT AGREEMENT**

The Town of Franklin Highway Crew will work jointly with the Water District upon request and availability for any water department work or repairs as needed.

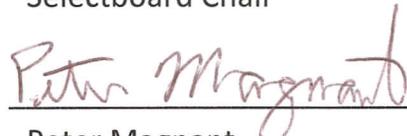

- The Water District will be responsible to pay wages and employer payroll taxes/benefits of the highway crew for the hours in which they work with the Water District. Reimbursed on a quarterly basis to the Town.
- The Water District will reimburse the Town quarterly for use of equipment based on the town's approved use rates for all hours the equipment is used for a Water District task.
- Any products used; gravel, stone, ect., will be paid by the Water District.
- All expenses incurred for a project of the Water District in which the highway crew assists will be paid by the District.

Water Commissioner Chair

Yves Alexant
